

Travel Policy Girl Members

A girl may apply for as many events in a year as she wishes and for which she is eligible.

1. Where participants are selected, a girl may attend only one event (provincial, interprovincial, national or international) in a Guiding year, September 1 – August 31. If a girl is selected for more than one event, she must choose which event she wishes to attend and immediately withdraw in writing from the other events for which she is selected.
2. If selected as an alternate for an international or national event and is also selected for an interprovincial or provincial event she may stay as an alternate for the other events. If she is selected and accepts as a participant for a national or international event, she must withdraw in writing from the provincial or interprovincial event.
3. Financial support from Manitoba Council is 33⅓% of fee and transportation costs to a maximum of \$750.00. A girl is expected to earn part of the cost of her trip.
4. As a girl member (up to age 18) she may attend either two interprovincial events **or** one international event and one interprovincial event. This excludes national events (e.g. Guelph '93, World Conference Camp), provincial events (Under the Open Sky, Cabana Trip) and interprovincial conferences (BC Ranger Conference, Aggie Rides a Magic Carpet).

Guiders – please give the same opportunity to every girl to decide which Interprovincial – International event she wishes to apply for. It is the decision of the girl and her parents.
