

# Easter Badge Presentation

**Theme:** Easter

**Scene:** All Brownies wearing Easter bonnets they have made that evening – circlet with flowers, fringes, bows, etc. – attached (all stapled). Guiders wear a flower on lapel.

Badges are in styrofoam egg carton eggs (made by taping the two parts of egg section together). Each “egg” is marked with name of badge and/or Brownie’s name. Can use different coloured styrofoam cartons. Eggs are piled in a basket (decorated as you wish) and full of cellophane grass. Basket can be placed beneath toadstool before you begin the ceremony.

**Positions:** Brownies are in a Ring to which they have come wearing these lovely Easter bonnets they have made that night.

**Lines:** Guider asks Brownies to stand. Guider stands next to toadstool, picks up basket and calls out name of Brownie and/or badge and Brownie walks to Guider to receive her egg(s) and returns to her place in the Ring.

Brown Owl says “Congratulations” as girl receives her “egg”.
